

MOKENA CHAMBER OF COMMERCE members heard Paul W. Scott, (center) stress need of cooperation by all communities in the county in endeavors to attract industry. On the left is Frank Grey, president of the Mokena C. of C. and on the right is Leo Marcoux who is treasurer of the chamber and its representative at a recent meeting of the industrial development department of the Joliet Region Chamber of Commerce which is headed by Mr. Scott. Scott told Mokena chamber members of the intense competition among communities seeking industries or expansion of industries already present. Statistics show, he said, that about 3,000 new plants are built annually and that some 18,000 groups are seeking them. To further lengthen the odds is the fact that some communities always get more than "their share." At the end of the meeting those present had learned considerable about industrial development. It was also brought out that a county-wide census is slated to answer some of the questions industrial locators want to know. It is proposed to enlist the help of all the communities to make this finance the census.

GOP Town Candidates Adopt 6-Point Platform

At an organizational meeting last week the Republicans of Frankfort township seeking office in the town election April 6, adopted a platform on which to base their campaign and set forth the qualifications of their candidates.

There are six points in the platform.

1. Continued to promote the economic development of Frankfort township.
2. Promote the improvement and modernizing of U.S. 30 and other major thoroughfares thruout Frankfort township.
3. Cooperate with the county mapping and platting program in establishing a comprehensive street naming and numbering system.
4. Exert pressure on the county to prepare and adopt a building code.
5. Stimulate definite action to eliminate pollution of Hickory Creek.
6. Request the Forest Preserve District of Will county to designate and set aside additional wooded areas for public use in Frankfort township.

The party's candidates, it was pointed out at the meeting, should be known to the voters because of their service, several of whom are incumbents.

George Tate, Frankfort, seeking re-election as supervisor, is the former owner and operator of the Standard Oil station, Rts. 30 and 45. He is a director of the Frankfort State bank and on the county board is on the right - of - way committee which obtained right-of-way for Laraway rd. from south of Joliet to Rt. 45 so the thoroughfare can be widened and blacktopped, work is to be started this year. He is also a member of St. Peter's church and of the church board.

Berle F. Needham, Mokena, chief auditor of the Rock Island railroad who will be retiring this year, is the nominee for assistant supervisor contingent upon and approved census of 7,500 or more for the township. Such a population, the Republican claim, would enable the township to elect another board member and thus be entitled to proper representation on the county board. A party spokesman also pointed out that county board members are not paid out of township funds, nor are they

on salary but paid by the county on a fee basis per meeting of board or committee.

Harold Cooper, present town clerk, owner and operator of Cooper & Hostert Ford agency and garage at Mokena; member of the Will county zoning board of appeals and Mokena fire protection board.

Harold A. Smith, Frankfort, seeking re-election as assessor, is self-employed having his own accounting services for businesses, companies and individuals. Member of International Association of Assessing Officers and the state association of assessors.

Burnett Scram, seeking re-election as collector, operates his own barbershop at Frankfort. A member of the state association of town collectors.

The three candidates for the board of town auditors are August Werner, Mokena, seeking re-election; Richard T. Heim, a computer program analyst for Corn Products Co., Arbury Hills; Rudolph Urbane, Lincoln Estates, a foreman for the Pullman Co. and a member of the Frankfort fire department and Will County Auxiliary Police.

The meeting went on record expressing appreciation for the work of Adam Housner, of Frankfort, and Roy Koerner, Mokena, members of the town board of auditors. They did not wish to seek re-election this year.

Expect Incumbents To Run

Two members are to be elected to the Lincoln-Way high school board of education. Terms expiring this spring are Mrs. Oren Link of Lincoln Estates and George L. Preston, New Lenox. Both members are completing their first term and have indicated they will seek re-election.

Petitions can be filed in the Lincoln - Way business office until noon on March 20. The office is open from 8:00 a.m. until 4:30 p.m. daily except Saturday and Sunday.

Two additional candidates have taken out petitions and

indicated they would also run for board membership. They are Carl Schonwise, New Lenox, and Walter Niedringhaus, Mokena.

The election will be held Saturday, April 10, and the polling places will be in the district's elementary schools.

Present board members are: Elias A. Brown, Mokena; Wendell Morrison, Frankfort; Mrs. Link; Lorin Schleeter, Manhattan; Mr. Preston, New Lenox; Dr. Lowell Webb, New Lenox; and James Brooks, New Lenox.

L-W High School Board Raises Teachers Pay

During the last regular meeting of the Lincoln-Way high school board of education, salaries of all the present staff members were increased between \$300 and \$400. The salary schedule itself was revised improving the beginning salary from \$5,300 to \$5,400 and then adding an additional \$100 for each staff member at the time he receives teacher tenure. According to the Illinois School Code, teachers who are re-employed for the third year receive tenure status except new teachers who can have their probationary period extended an additional year.

The Lincoln-Way salary schedule has always provided an automatic increase of \$200 each year for the first eight years of experience and \$150 for those with experience over the 8 year period. There is a \$300 differential for the Master degree teachers and an extra \$200 for teachers having completed one year of graduate work beyond the Master's degree. This present improvement in the salary schedule marks the 12th consecutive year that the school board has provided increases for the teachers. The beginning salary when Lincoln - Way opened its doors in 1954 was \$3,300.

Approximately 70% of all the educational funds received go for salaries with the remainder for equipment and maintenance expenses.

During the same meeting, the salary and teacher committee recommended that all of the present tenure

staff members, -- there are 24 -- be offered contracts for the ensuing school year with the approved increases becoming a part of the con-

tracts. All of the non-tenure teachers will be offered contracts on or before the last board meeting in March.

Moves To Cut Ticket

Objection to inclusion of a candidate for assistant supervisor on the Republican ticket in the Frankfort township election was filed last Saturday by their opponents, The People's party, on the grounds that the population of the township is below the 7,500 mark required by law if an additional member to the county board is to be chosen.

The objection was filed with Town Clerk Harold Cooper at Mokena by August Santoro, of Frankfort, a candidate for assessor and also attorney for the People's party. According to Santoro the clerk is obliged to send out registered notices, plus summonses to all the persons concerned, including all the candidates on the People's ticket. The summons for each person would be served by a sheriff's deputy at something like \$9.20 per copy, with the township picking up the tab.

The Republicans chose to nominate a candidate for assistant supervisor so that if a census, said to be in the making, is completed before time to have the ballots printed and shows the population of Frankfort township to be 7,500 or more, then they would have someone running for the office. That was done at the regular Republican caucus Feb. 2.

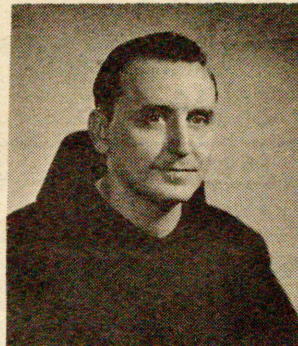

Nominated was Berle F. Needham, of Mokena.

A Democrat caucus was called for the same date but party members did not choose to attend so no ticket was filed under that party's label. The People's ticket was filed thru petition later, and according to its organizers is said to be made up of Republicans as well as Democrats. The People's party, however, did not nominate a candidate for assistant supervisor, contending there is nothing to show that the population is sufficient. They further contend that if name and office are not removed from the certificate of nomination they might appear on the ballot and the Republicans would win it by default.

The objectors ask the town electoral board order this removal of office and candidate from the certificate of nomination and in the event this is not done, Santoro said, the case will be appealed.

The objectors are, Ted Massey, candidate for supervisor; Al Behnke, candidate for town clerk; Santoro, candidate for assessor; Lee Marcoux, candidate for collector, and Mrs. Florence Pitman, Wilbur Schalk and Cal Heath, candidates for the town board of auditors.

EXPLAINS CLERK'S WORK

Frankfort, Feb. 23
Dear Sir: Many inquiries have been made recently if the (Frankfort) village clerk duties include putting in full time at the village hall?

The answer is, No. However, the present setup is an appointed position which would be termed as a collector and a separate salary paid for the service. The village clerk now has two separate positions, one elective (village clerk), and the other, full time collector, is appointed.

Front Street View Is Shown On Calendar

A Chicago savings and loan company's calendar this year was painted by Francis Chase. He has scenes from various points in Illinois and right in the middle is a view of Mokena's Front street.

"I wanted to show how the parking lot (Rock Island) and the area there could be cleaned up," the artist responded in part in answer to a letter from Mrs. Florence Pitman concerning the painting.

The Mokena Chamber of Commerce has a few of these calendars to distribute.

The admission will be 50 cents for each member and any guest he should bring. Skates may be rented at the rink, 45 cents.

There will be a meeting of the club on March 1 at 7:30 p.m. at the school, but the March 15 meeting is cancelled.

Mrs. Charles Walles of 9411 West Willow Lane was Arbury Hills representative in the second fashion show held by St. Mary's Church.

Because of the great demand for tickets for the fashion show last year, it was

held at the Silver Lake Country Club this year.

The Woman's Auxiliary of the Arbury Hills Boys Baseball League will elect officers at the school on Wednesday evening, March 17, at 8 o'clock.

The committee for the Talent Show is sending out a request for card tables for the evening performance. Anyone who is willing to contribute the loan of a card table to the cause, is asked to contact Mrs. John Hayden at 479-9350.

The Cadette Girl Scout Troop visited the Salem Old People's Home, operated by the Lutheran church, for Valentine's Day. They sang songs and performed skits for all 78 of the patients.

In response to the request of the troop, the girls were allowed to "adopt" a grandmother and a grandfather. Their grandmother is 90 year old, Mrs. Christine Milhouse and their grandfather is Daniel Larson 84, who originally came from Sweden.

The girls provided tray place mats in the Valentine theme and nut cups filled with cookies and candy.

Mrs. Christensen, one of the staff at the home, acted as tour director for the girls. What originally was to have been a short stay lengthened considerably, when the enthusiastic response of the residents was noted.

The annual Blue and Gold banquet of the Arbury Hills

Cub Scouts will be held this Saturday evening, Feb. 27, beginning at 6:30 p.m. sharp, in the Arbury Hills school.

Father Cecil Koop, pastor of St. Mary's church in Mokena will give the invocation and Rev. Theodore Winnler of St. John's church in Mokena will give the closing prayer. Daniel Brown from the Joliet office of the Cub Scouts will give a short talk after the dinner and Gene Pasky, the cub scoutmaster will also give a speech.

The women will bring food.

Knights Hopes For Perfect Cage Season Go Boom

Vikings Victors, 51-50; L-W Can Still Take Title

BY NORM BEEBE
Lincoln-Way's hopes for a perfect Southwest Suburban Conference season was drawn to a drastic close last Friday night when the Homewood-Flossmoor Vikings cut the Knights 51-50. This loss for the Knights not only extinguished any hope for a clean sweep in SWS play, but also caused a setback in the Knights hope for the undisputed conference championship. L-W snuck by HF in rebounds by snagging 25 compared to HF 24.

Senior, Tom Hamilton, led the scoring for the Knights by sinking 6 out of 12 from the field and 2 out of 4 from the charity stripe. Following Hamilton were Grimes and Schram with 13 and 10 respectively. Lincoln-Way is now sporting an 18-4 overall mark and a 12-1 conference record.

Dennis Berntsen hit 15 points for the HF Vikings followed by Clark with 14 and Lockhart with 10.

The Vikings led the

Knights to an 11-10 first stanza score, but the Knights came back to lead by 6 points at the half, 30-24.

Things started to get tough for the Knights in the third period, it seemed as though the Vikings couldn't miss and with 4:15 left in the period L-W was ahead by only one point, 35-34. From then on Lincoln-Way and Homewood matched baskets to a 43-42 third stanza count.

Homewood-Flossmoor's stalling procedures were the reason for such a low scoring fourth period. At one point in the period H-F stalled the ball for two minutes until L-W's Tom Hamilton managed to get his hands on the ball for two points. With only 2 seconds remaining in the game, Hamilton made one last desperate attempt, but it was short of its mark.

Lincoln-Way will meet Rich East this Friday night, Feb. 26 on the Knights home court with all the intentions of securing the undisputed conference title.

5 Sandburg Swimmers To Seek State Honors

Five Carl Sandburg swimmers will compete in the state meet next weekend. Besides qualifying five for the state the Eagles took fourth in the district meet.

Sandburg finished behind last year's winner, Hinsdale, who had 102 points, second went to Thornridge with 47 1/2 points, third to Home-

wood-Flossmoor with 40 points and right behind them the Eagles with 39 1/2 points.

The five swimmers qualifying for the state meet were seniors; Bob Hutchinson and Mike McNaughton, juniors George Ware and Alan Stelter; and sophomore Terry Brazel.

Brazel qualified in both the 200 and 400 yard freestyle events, Hutchinson in both the 50 and 100 freestyle. Those qualifying in one event were McNaughton in the 100 yard backstroke, Ware in the 400 freestyle and Stelter in the 100 yard breaststroke.

Other Sandburg swimmers that finished in the top six who received awards were Bob Negro in the 100 yard breaststroke and the 200 yard Medley relay team.

Sandburg divers, Tom Johnson and Ray Widmer finished 9th and 12th respectively.

Times for those qualifying were:

Brazel in the 400-4:12.0
Brazel in the 200-1:54.0
Hutchinson in the 50-23.6
Hutchinson in the 100-51.6
McNaughton in the 100 back-57.8

Ware in the 400-4:15.5

Four Carl Sandburg wrestlers have been named to the All-Southwest Suburban Conference team. They are Tom Osting, 120 pounds; Bob Hunnewell, 127 pounds; Larry Cobden, 138 pounds; and Ed Apel, heavy-weight. All are seniors.

Karl Pnasek, junior, was named to the second team at 180 pounds.

Appointment to the all-conference team is based on season performance; coaches do not vote for the members.

Eagles Share Sectional Mat Crown With Porters

BY BILL KAROLICH

The Sandburg Eagles and the Lockport Porters, tied for first place in last Saturday's Sandburg Sectional, knocking defending champion Joliet Central from victory. The results of the meet were not decided until the final match, which pitted Sandburg's Ed Apel and Lockport's Gary Bond against each other.

Lockport was ahead in scoring at this time and the winner of the match would win the sectional tournament. This was a rematch of four weeks ago, when Apel beat Bond down in the Granite City Quad on a referee's decision. Last Saturday Apel did it again. It was tied at 2-2 after time ran out and the referee awarded the victory to Apel on the grounds he had more determination.

Tom Haislet at 112 lbs., won his first match from Sender of Plainfield 2-0, then pinned Casino from Thornton Frac. North, and then in the final match, beat Tony Rubiano from Rich East 3-0. This was the first time in four encounters, that Haislet has beaten Rubiano.

As 138 pounds, Larry Cobden kept his one team point lead over Apel by defeating Zander of Lockport 5-0, Leckberg of Blue Island 6-1 (overtime), and then in the final match, he had to wrestle Brad Jarmen of Oswego again. These two boys met last week in the district final with Cobden winning that match 3-2, but Saturday night he was one better in winning 4-2.

Apel, Cobden, and Haislet, as well as all the other first and second place winners, will wrestle in Champaign Feb. 27 & 28 in the state finals. There they will wrestle sixteen of the toughest boys in each weight division.

Other Sandburg wrestlers who did not fare so well were, Soph. Larry Clark, 103 lbs. who got pinned his first match, Tom Osting, 120 lbs. who was upset 3-2, by Roger Anzzolin of Lockport in his first match, Bob Hunnewell 127 lbs. who won his first match 7-1, but then was beaten on a referee's decision in his semi-final match.

That evening, in the match for 3rd place, Hunnewell wrestled Cornelius Coleman of Blue Island, who took fourth in state at 120 lbs. last year. This year Hunnewell beat Coleman in the dual

meet, 1-0, but Saturday night, Coleman switched the tables and beat Hunnewell 8-5 in overtime. At 154 lbs. junior Harry Werner after surprising second seeded Swietlik of Thornridge on a referee's decision, lost his semi-final match to Sam Easley of Joliet Central 3-2, and then lost to Steve Pfeiffer of Homewood-Flossmoor 4-2 for third place.

Results of the other weight divisions: At 95 lbs., defending sectional champ Bob Burke of Thornton Frac. South beat Mike Levin of Homewood-Flossmoor 7-0. Sherman Adams of Thornton beat John Freageau Homewood-Flossmoor 2-0 at 103 lbs. At 120 lbs. Floyd Barty (Rich Central) beat Roger Anzzolin (Lockport) 3-2. John Hennings (Joliet West) beat Larry Walker (Bloom) 2-1 at 127 lbs. At 133, Mel Scott (Lockport) beat Gary Mullens (Blue Island) 5-2. 145 lbs. R.V. Adams, who lost to Mike Cook as in district reversed the

Eagles Break Old Scoring Record In Routing Parks

BY ED PETERSON

Eagle fans were treated to the highest scoring output in Carl Sandburg's eleven year history as the Eagles made mincemeat of the Evergreen Park Mustangs, 92-46. The old record of 88 was set last year against the same team.

Evergreen attempted the stall-type offense employed by Bremen in their last loss to the Eagles and the results were about the same. Against the Braves the Sandburgites almost doubled their lowly score 58-30. Last weekend the Evergreen score of 46 was exactly doubled.

All five of the Sandburg starters scored in double figures for the first time this year. Led by Bruce Hyink with 24 and Drew Corley with 22, the Eagles were literally unstoppable as these two men equalled the whole Mustang squad's scoring output. Rich Adea, a newcomer to Sandburg scored 18 points in one of his first games as an Eagle starter. Van Broman pumped in 14 on his long jump shots from outside and playmaker Doran Harding collected 12 in the rout.

An unexpected break gave the Eagles another chance for a share of the conference crown as the H-F Vikings bumped off Lincoln-Way last week-end in a real thriller, 51-50. If the Rockets from Rich East can possible knock down the Knights Friday night and the Eagles beat Oak Lawn, the conference trophy will have to be split up.

In their first meeting, the Knights defeated the Rockets by a mere two points with a last minute basket. In last week-end action Rich was dealt a disappointing loss by the Bremen five. This 71-67 win was the second of the year for the Braves.

The Eagles will run into third place Oak Lawn this week. Always a threat the Spartans feature Doug Schaeffer, conference scoring leader, the main cog of the team.

An impressive 9-4 conference record is not one to be scoffed at and the Spartans must be respected as to their strength.

Sandburg Hockey Club Wins At Champaign, 5-1

Ice hockey is steadily growing as a participant sport among Sandburg students and last Saturday the Carl Sandburg Hockey club defeated the University of Illinois Hockey club 5 to 1 on the Champaign ice.

Coach Karl E. Scheel, of Orland Park, lauded the team work of the entire squad, especially the work of the third line. Three of the members are from the B squad (soph and frosh), Jim Erion, Allen Sprinkle and Dave Haskell. They were supported by varsity figures such as Roger Burke, William Baker, Ron Sterling and Lonnie Johnson.

The first line is made up of Steve Erion, center, Kurt Krueger, left wing, Don Mezdun, right wing, Carl Bartkowiak, left defense and Jim Leatzow, right defense.

In the second line are, Tom Hoffrica, center, Jim Richardson, left wing, William McIntosh, right wing, Dave Wheeler, left defense and Dave McIntosh, right defense.

Rory Mozdan, known as "The Mouse," to goalie who weighs but 103 pounds, made

38 saves. Special honors Saturday went to Tom Hoffrica, who had the "hat trick," as they say, with three goals, and to Steve Erion who scored the other two goals for the Sandburg club. The first line of the University Hockey club was made up of U. of I. hockey team members with former captain of Sandburg Hockey Club Dave Mueller playing center.

Hockey is not a school activity but there are 44 boys who are playing on the two squads from Sandburg. Scheel, who was on the Chicago fire department many years and is now an arson and bomb expert for the American Insurance Association which has taken over the National Fire Underwriters, coaches the A squad (juniors and seniors) while Ed Reuter, of Palos Park, directs the B squad.

The boys and their parents have raised the money for equipment and the use of the ice at Elmhurst. The club is a member of a league. The next travel game will be sometime in March at Pekin.

Wish I'd SAID THAT

"It has been said that marriage is an institution which teaches a man regularity, frugality, temperance and other virtues he wouldn't need if he stayed single."—Virginia Gaskill, Pennsburg (Pa.) Town and Country.

"After watching the squabbles that often develop in the splitting up of estates, we can sympathize with the old fellow whose will contained just the following: 'Being of sound mind, I spent every darned cent I had.'—Frieda J. Monger, Duluth (Minn.) Publicity.

"Most of us keep wishing for things we don't have—but what else is there to wish for?"—Joe Harrison, Dickens County (Tex.) Spur.

"If you can get amusement out of your own follies you should be able to work up a smile almost any time."—Fred W. Grown, Edgewater (N.J.) Citizen.

Would Have Subdividers Donate Land

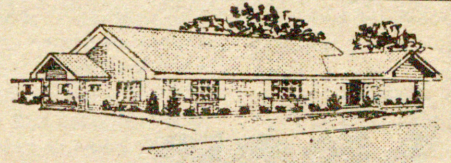

Edwin Yunker, a member of the Mokena park board, appeared before the village board at a recent meeting and suggested that in the future when the municipality prepares to annex land for residential development it should ask the developer to set aside a certain amount of land for the use of park purposes.

Perhaps out of 20 acres, Yunker said, one acre could be set aside for playground equipment for the smaller children. One acre, he added, wouldn't be large enough for a ball diamond but the larger children could use the present park facilities.

"Prosperity is something you feel, fold and mail to Washington."
